Be sure to include your NameJet LOGIN ID, your name and amount sent.

Although you include your login reference with your wire, sometimes the information is not provided to us. By sending an email to our Accounting department, this helps to ensure your money is posted to the correct account as quickly as possible.

We do not charge any fees to process your wire. While your bank (or an intermediary/international bank) may charge you a fee, we deposit the full amount received by our bank into your NameJet account.
